DECA helps students to develop skills and competence for marketing careers, to build self-esteem, to experience leadership and to practice community service.

DECA is a student-centered organization whose program of leadership and personal development is designed specifically for students interested in marketing careers; these students are our future business leaders.

DECA is the only student organization operating in all 50 states, the U.S. Territories, the District of Columbia, Canada, Guam, Virgin Islands, Puerto Rico and Germany Competition is the heart of the **DECA** experience. Members compete in over 35 team and individual categories, each relating to a potential career path.
