### **Wingshooters by LA writer Nina Revoyr is our featured novel for 2012.**

"Wingshooters" has been compared to "To Kill a Mockingbird" by many reviewers. It's the searing tale of bigotry and racism in a small Wisconsin town told through the eyes of a young biracial girl. The end of the book just might move you to tears. Please read the book and join other readers for an assembly/book group for all students, staff and parents who have read the book with acclaimed author Nina Revoyr. Copies are available in the library or here:
