Most of the work will be remote (not at the office), though you'll need to be able to get to Santa Monica for a meeting or two so have to have transportation. Can start before end of year (4-6 hours per week) and internship would continue over the summer. There may be equipment requirements so see flyer for that info. You'll be giving feedback on the entity's new app. They are involving athlete/students from surrounding schools as well, so there are only a few spots for BHHS students. \$11 per hour. In order to be a TA you must be enrolled in one of our Work Experience sections (we have some that meet at lunch, Period 1 and Period 2), and meet the required minimum GPA 3.0 unless waived by a particular teacher and the student's counselor), so discuss with your counselor if coming to Work Experience twice per week will fit in your schedule. If you are currently serving as at TA this semester, please confirm your interest to continue with your teacher/supervisor so they can plan accordingly for next semester as well; and make sure you keep up your WE enrollment and participation.
