CHEATING POLICY

CHEATING - Defined:

Students should understand that, among other things, cheating includes communicating with another student during an exam, copying material during an exam, allowing another student to copy from their exam paper, using unauthorized notes or devices, submitting falsified information for grading purposes, obtaining and supplying a copy and/or information about an exam without the knowledge and consent of the teacher, submitting work written by another person (except as outlined below *), submitting work written by the student for another assignment without the instructor's knowledge or consent (self-plagiarism), copying another person's assignment(s), allowing another student to copy his or her assignment, or taking home exams without the knowledge and consent of the instructor.

** When a student submits an assignment, that assignment should be only his or her own work unless the teacher has specifically set up the assignment as a group project or other collaborative assignment. In such cases, the names of all students involved in the group process should be listed on the assignment. If the teacher has not designated the assignment as a group project, submitting an assignment written by more than one person is **plagiarism**.*

CONSEQUENCES:

The consequences for cheating shall be adhered to by students and staff:

First Infraction:

1. Teacher meets with the administrator prior to parent contact.
2. Teacher informs the parent.
3. Referral to assistant principal for student and parent conference.
4. The student's academic semester grade will be lowered by one letter grade (unless the assignment is worth more than one letter grade).
5. The student's conduct grade will be lowered.

Second Infraction in any course:

1. Teacher meets with administrator prior to parent contact.
2. Conference with assistant principal, counselor, parent, student and teacher.
3. **Student will receive a failing semester grade where second cheating infraction occurred.**
4. The student's conduct grade will be lowered.
5. The student will be suspended.

Third Infraction in any course:

1. Teacher meets with the administrator prior to parent contact.
2. Conference with assistant principal, counselor, parent, student and teacher.
3. The student will receive a failing semester grade where second cheating infraction occurred.
4. The student's conduct grade will be lowered.
5. Student will be referred to Student Study Team or the Maple Counseling Center.
6. The student will be suspended.

If a student steals, sells or buys a final examination, a parent conference will be called, a suspension made, and the student will fail the course.

If a student steals keys or is involved in illegal school entry, the administrator is to be notified immediately. The school administration will notify the Beverly Hills Police Department, a suspension will be made, a parent conference will be called, and the student will fail the course. Where appropriate, expulsion procedures will be initiated.

Absences: California Education Code 49067(b) and Board Policy 5121 authorize teachers to fail any pupil whose absences from the teacher's class are deemed excessive. Board Policy (AR 5113.1) defines "excessive" as 3 or more unexcused full-day absences or 30-minute tardiness during the school day in an academic year. According to California Education Code 48205, absences from school shall be excused only for illness, quarantine, medical or dental appointments, funeral services for members of the student's immediate family, jury duty, court appearance, and religious observances.

In the event of an absence:

Students must attend all classes except for legally excused reasons (illness, bereavement, quarantine, or medical appointment). Students understand that they must clear all absences and that the procedures are as follows:

- On the day of a full-day absence, parent will call the attendance office before 10:00 a.m. If they do not call, they may send a note within 5 days of the absence.
- After 5 days, parent must come to the Attendance Office to clear an absence. **After the 10th day, an absence will not be excused.**
- If students must leave school during the day, they will have parent call or bring a parent's note to the Attendance Office BEFORE THEY LEAVE CAMPUS. Students will not leave campus for a medical appointment without following this procedure. ***(A note on doctor's stationery, signed by the doctor, stating the date and time of the appointment is required upon return to campus, or the absence is unexcused.**
- Absences NOT cleared prior to leaving campus will remain UNEXCUSED.
- Students understand that they may receive a failing grade from a class in which they have 5 unexcused absences. Students also understand that detention(s) may be assigned by teachers for failure to follow attendance guidelines.

Anticipated absences, such as college visits, may be considered excused with prior approval. Future Absence Forms **must be submitted at least five days prior to the absence**, and must be approved by a site administrator. Any absence that isn't requested in advance and in writing will be considered unexcused and will count toward loss of credit in classes. Request forms are available in the Attendance Office. Prior approval may be waived by the principal or designee only under exceptional, unanticipated circumstances. The administrator will consider student attendance patterns, current academic performance and previous requests when approving a request to excuse such absences. The teacher of any class from which the student is absent shall determine, consistent with Board Policy, what assignments the student shall make up and in what period of time the student shall complete such assignments. The tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments which the student missed during the absence. Requests may be made for the following:

Absence for religious celebration or ceremony (e.g. Wedding, Bar/Bat Mitzvah, and Confirmation) shall be limited to **one day** and allowed only for **members of the immediate family**.

1. Employment conference or interview.
2. College visits (limit of **three days per year**).
3. Bereavement beyond excused absence days.
4. Other **educational programs** not sponsored by the school, district.
5. Other justifiable personal reasons if authorized by administration (explanation should be provided).

Family vacations and DMV appointments are not excused absences under this policy. These and all personal appointments are to be scheduled outside of the academic calendar.

Reminder about going home ill: Please remember that the proper procedure for checking out of school to go home ill is to **check out through the health office**. All students must get a pass from their current teacher (or next period teacher) and come to the health office to obtain a pass to go home. Parents will be called from the health office AFTER the students arrive in the health office. Students **MAY NOT** leave campus without a pass or their absences will be **UNEXCUSED**.

FUTURE ABSENCE REQUEST – Students missing school to attend college visits – off campus – need to submit a Future Absence Request to the Attendance Office no later than 5 days in advance of absence.
