Join us for an evening of conversation with Parnaz Foroutan, author of *The Girl from the Garden*. Julie Goler will moderate our discussion with her insightful observations and questions.

Ms. Foroutan makes her literary debut with this suspenseful novel of desire, obsession, power and vulnerability. A crisis of inheritance leads to the downfall of a wealthy family of Persian Jews in early twentieth-century Iran.

Narrated by the family's only surviving daughter, now an elderly woman living in Los Angeles, the *Girl from the Garden* exposes the complex and tragic history of a family from a long-lost Iran of generations past. It is a haunting and poignant exploration of sacrifice and betrayal.
