In ***Escape from Camp 14***, acclaimed journalist Blaine Harden tells the story of Shin Dong-hyuk and through the lens of Shin's life unlocks the secrets of the world's most repressive totalitarian state. Through Harden's harrowing narrative of Shin's life and remarkable escape, he offers an unequalled inside account of one of the world's darkest nations and a riveting tale of endurance, courage and survival.

Sarah Palmer from LINK (Liberty in North Korea) will speak about North Korea and LINK's work with refugees. LINK works to rescue and empower defectors who might otherwise be exploited after they flee North Korea.

Very few North Koreans born and raised in these camps have escaped. But Shin Donghyuk did.
