Join us for an evening of conversation with Parnaz Foroutan, author of The Girl from the Garden. Julie Goler will moderate our discussion with her insightful observations and questions. Ms. Foroutan makes her literary debut with this suspenseful novel of desire, obsession, power and vulnerability. A crisis of inheritance leads to the downfall of a wealthy family of Persian Jews in early twentieth-century Iran. Narrated by the family’s only surviving daughter, now an elderly woman living in Los Angeles, the Girl from the Garden exposes the complex and tragic history of a family from a long-lost Iran of generations past. It is a haunting and poignant exploration of sacrifice and betrayal.
