**Amazing Career Experience with the LA Galaxy - Sports World Enthusiasts note new date** – Join us in the **Jon Cherney auditorium** on **Wednesday, November 1** at lunch to hear from members of the LA Galaxy business team speak about their various career paths and current work in the world of sports. This will be the first in a unique career exploration experience designed by the LA Galaxy for Beverly High students, which will include both additional visits to our campus as well as opportunities for selected students to visit the offices of the LA Galaxy in the spring of 2018. Contact **Cindy Dubin** at [cdubin@bhusd.org](mailto:cdubin@bhusd.org) with questions.

**Stop Bullying, part of Beverly Hills High School Theatre season** produced by the Theatre Arts Department and Michael J. Libow in association with the Beverly Education Foundation, services our community as a social awareness piece featuring song and scenes highlighting the issue of bullying. There will be one night for the public to view - **Thursday, Oct. 26th at 7 PM** - with admission of \$5 for children and ASB Students and \$10 General Admission. The show will also be shown, in part, to BHHS during daytime assemblies, as both part of their Health curriculum as well as State mandated training about cyber bullying. The show will then tour the Middle Schools during November reaching out to the 6th-8th grades with this important message about all the various types of bullying that exist and introducing students to an aspect of the performing arts program at Beverly Hills High School.

**Peer Tutoring is Open for Business in October:** Starting **Tuesday, October 3rd**, students looking for help with homework or an upcoming quiz or test are welcome to come at lunch to the College and Career Center (Room 290) where we will have student tutors for one on one or small group assistance. Tutoring is on a first come, first serve basis, and help in any particular academic area will depend on the tutors who volunteer to work that week. Students interested in a certain discipline for which there isn't a tutor present, can discuss that issue in person on Tuesdays with the Peer Tutor Student Coordinator, Paris Rosen, so she can look into the possibility of finding a tutor for that certain level or subject for the following week. General questions can be directed to Cindy Dubin at [cdubin@bhusd.org](mailto:cdubin@bhusd.org).
