ATTENDANCE

Parents must call the attendance office at (310) 551-5125 to report any and all absences.

If they do not call, they may send a note within 5 days of the absence. After 5 days, a parent must come to the attendance office to clear an absence. After the 10th day, an absence will not be excused.

Absences from school shall be excused only for illness, quarantine, medical appointments, and funeral services for members of the student's immediate family, jury duty, court appearance, and religious observances.

Midday absences will not be excused if students have not cleared through the attendance office before leaving campus. Beverly Hills High school has a closed campus.

If students must leave school for a medical appointment during the day; parents must call the Attendance Office in the morning BEFORE STUDENTS LEAVE CAMPUS. Students will check out and an exit pass will be generated. *(A note on doctor's stationery, signed by the doctor, stating the date and time of the appointment is required upon return to campus, or the absence is unexcused.)

Absences NOT cleared prior to leaving campus will remain UNEXCUSED. If students feel ill during the school day, they must check out through the Health Office.

A physician's note is always required for each absence after (14) cumulative absences; without a note, students will be marked unexcused.

Family vacations and DMV appointments are not excused absences under this policy. These and all personal appointments are to be scheduled outside of the academic calendar.

Please see the Norman Guide and the Rights and Responsibilities Handbook for detailed attendance information.
