The Vahagn Setian B2V Memorial 5k run/walk, December 2nd - I hope you, your family and friends join us in a 5k run/walk in Beverly Hills on **Sunday, December 2, 2018**. The Vahagn Setian Charitable Foundation (VSCF) is a non-profit organization focused on enhancing the quality of education with scholarships, grants and other material aide for deserving students. VSCF has supported many BHHS educational programs such as the Every 15 Minutes Program. Let's show our gratitude by participating! Vahagn Setian was a Beverly student who was loved and adored by all who knew him. His life was tragically cut short by a drunk driver. The 5K Run/Walk symbolizes healthy life choices, ethical decision-making and a strong relationship between the Beverly Hills Police Department and our local community. There is no cost to participate in the 5K Run/Walk. It's tragic that thousands of teens are killed in car accidents each year when so many of those accidents are preventable. Let's keep our community safe and remind our youth (and adults) of the dangerous of drinking and driving.

Are you interested in technology? Do you like helping out staff? Would you like to meet students that share one or both of those interests? If the answer to any of those is yes, then The Norman Tech Squad is the club for you. The Norman Tech Squad is a student tech support society that serves the student body by teaching and offering hands-on support to teachers with their technology problems. If you're interested, email Dr. Rubenstein at srubenstein@bhhsd.org
