We host over 500 guests on campus each year and this will be a great opportunity to reflect our comprehensive programming. We are also looking for a second logo to use in connection with our "Career Creators" program which is a school/business/city partnership that supports career education in our public schools. Applications are in the plastic wall containers right outside of the College and Career Center (in the hallway to the left of the door as you enter the room). **There will be a quick optional lunch info session on Tuesday, February 7 in Room 290. Entries are due February 13th (noon) to Room 290** in a box labeled "Logo Contest." There will be a \$100 recognition award for the artist submitting each of the selected logos. Winners will be notified by **Friday, February 16th.** We are excited to work with our very own students -- The College and Career Center, Ms. Dubin, Ms. Redston, and Ms. Rowley.
