Peer Tutoring is Open for Business in December: students looking for help with homework or an upcoming quiz or test are welcome to come at lunch to the **College and Career Center (Room 290)** where we will have student tutors for one on one or small group assistance. Tutoring is on a first come, first serve basis, and help in any particular academic area will depend on the tutors who volunteer to work that week. Students

interested in a certain discipline for which there isn't a tutor present, can discuss that issue in person on Tuesdays with the Peer Tutor Student Coordinator, Paris Rosen, so she can look into the possibility of finding a tutor for that certain level or subject for the following week. General questions can be directed to Cindy Dubin at cdubin@bhusd.org.
