Instructions: Go to bhhslibrary.com (or click on the LIBRARY link from the school's webpage, bhhs.bhusd.org), then click on CALENDARS on the top menu and choose TUTORING from the dropdown menu.

Peer Tutoring is Open for Business in April/May: students looking for help with homework or an upcoming quiz or test are welcome to come at lunch to the **College and Career Center (Room 290)** where we will have student tutors for one on one or small group assistance. Tutoring is on a first come, first serve basis, and help in any particular academic area will depend on the tutors who volunteer to work that week. Students interested in a certain discipline for which there isn't a tutor present, can discuss that issue in person on Tuesdays with the Peer Tutor Student Coordinator, Paris Rosen, so she can look into the possibility of finding a tutor for that certain level or subject for the following week. General questions can be directed to Cindy Dubin at cdubin@bhusd.org.

This case study event is crucial in helping think of the qualities and strengths you can bring to the application process and what to do to prepare. A college fair will conclude the evening allowing students and parents to explore universities and connect with admissions further. **RSVP: <https://tinyurl.com/bhhscasestudy>.**
