\$100 Off Any Revolution Prep Tutoring or Test Prep Program

Revolution Prep, a national leader in online tutoring and test prep, is giving a \$100 gift card to *all Beverly Hills High School students!*

We know summer should be spent relaxing, but summer is also a great time for sophomores and juniors to get ahead on test prep – and it's important for all students to stay engaged with academics, as research shows extended time off can lead to many students falling behind.

So please take advantage of this free \$100 toward the tutoring program of your choice. Whether it's private tutoring, a test prep course, or Revolution's unlimited Homework Help program, there is no purchase necessary. Just \$100 toward your child's summer enrichment.

Head to <https://www.revolutionprep.com/partners/55/> to claim your gift card, and make sure to **redeem it by June 30, 2018**. And if you have any questions or want to learn more, reach out to our school's dedicated Academic Advisor, **Jean Stroud**, at **818-217-0951** or jean.stroud@revolutionprep.com

BHHS Student Parking Permit applications for NEXT YEAR (2018-2019) are available. You can pick-up an application in **House Office A/B**.

Award – If you ordered a Presidents Volunteer Service Award, the certificates have arrived. Please pick your certificate up, from Mrs. Redston in the College and Career Center during nutrition or lunch.

Important Reminder to our Students: As the weather begins to warm up, we want to take the opportunity to remind our students to review the BHHS Dress Code policy. Peer Tutoring is Open for Business in April/May: students looking for help with homework or an upcoming quiz or test are welcome to come at lunch to the **College and Career Center (Room 290)** where we will have student tutors for one on one or small group assistance. Tutoring is on a first come, first serve basis, and help in any particular academic area will depend on the tutors who volunteer to work that week. Students interested in a certain discipline for which there isn't a tutor present, can discuss that issue in person on Tuesdays with the Peer Tutor Student Coordinator, Paris Rosen, so she can look into the possibility of finding a tutor for that certain level or subject for the following week. General questions can be directed to Cindy Dubin at cdubin@bhhsd.org.
